To The Honorable Judge Joseph. J. Ferman Jr.

I am sending a few letters, where I have tryed To
To get a lawyer. But later was told the case
was to complicated. Sin this why I ask for
appointment of Counsel. Sin I do not know much
about Law. But I do know when I was
refused Medical Help, and feel my Civil Right
have been Violated. I hope this will help
the Court decide if I can be appointed
counsel.

I wish to have this as anoter report
also. This is a small amount of Grievances
I have filed. How even a lot has been taken
lost or ~~disregarded~~ Disregarded.

Respectfully
Michael Rose

APPEAL REQUEST

Inmate states: I filed a grievance against Dr. Niaz, he stated they found something on my left lung. I asked him what was he going to do about it. He stated nothing, I was too far gone. He gave me 6 months to one year to live. Resulting from being refused treatment for my liver starting in 2001. I went again. I stated my case to the grievance board. I was referred again to Dr. Niaz. I was told I was a waste of tax payers money. I am a Viet Nam Vet. I have 2 purple hearts, the Gold Star, Vietnamese Cross of Gallantry + 4 more medals. to be told I am a waste of tax payers money because I need medical treatment. I find this as knowingly, willfully and maliciously being denied medical treatment. I have made copies of this so I can turn them over to my lawyer.
